The Dickeyville Grotto & Shrines are located on the grounds of the Holy Ghost Parish in Dickeyville, WI. They are the works of Father Matthias Wernerus, a German-American priest who served the parish from 1918 until his death in 1931. The main Grotto is an artificial cave created out of stone, mortar, and brightly colored materials and found objects collected from all over the world. In addition to the main Grotto, dedicated in 1930, the site contains many other shrines and an outdoor Stations of the Cross.

Visitors are welcome at any time throughout the year, as the main grotto, shrines, and gardens are always open to the public. Tours are available daily during the summer tourism season and by appointment.
